

## SIZING GUIDE

Getting the right size orchestral string instrument is important and easy.

Orchestral strings—violins, violas, cellos and double basses come in a variety of sizes. Getting the right size is important as it helps to ensure a positive experience with the instrument.

The Magic Flute carries a complete range and selection of sizes for orchestra instrument rentals. You can use the chart below to find the perfect size for your young musician and order online. Or, you can come into the store with your child, any day of the week, and we'll measure and recommend the right size.
